## **Comments:**

If you are looking for blonde mane and tail mare with the size and pedigree to make your next show horse, Arm's Candy is the girl for you. She is sired by WGC Arm's Deal For Real M and out of a direct Prides Generator mare. Her dam was a show mare and her mare line produced WGC Command On Parole, WC He's Etched In Stone, NFC Etched At The Ritz, WC Bella Sera At The Ritz and WC Generator's Falcon to name a few. Arm's Deal For Real M is just beginning to get foals old enough to ride and his success rate for producing show horses is extremely high. This eye candy can become your horse of a lifetime.
