Comments:

If you are looking for a historical mare line check this filly out. This Lined with Cash filly is out of World Champion Delight's Miss Blaze. Her dam also produced Res. World Champion Generator's Miss Blaze. Her 2nd dam is a full sister to the great World Champion mares Gay Lady's Miss Ebony and Eb's Gay Lady. Her 3rd dam was one of the greatest producers during the 1970's, Shadow's Gay Lady. If they had given the Dam of the Year award during the 70's, Shadow's Gay Lady would have been a multiple year winner. This filly could excel in any classification you would put her in. The Lined with Cash X Delight of Pride cross has a 73% show ring success rate. Broodmare connoisseurs would understand the historical significance of this pedigree.
