## **Comments:**

This Gen's Black Gin son is built right, moves right and ready to start. He is out of the same dam as It's Happy Hour and I'm Sammy Day, both very successful; Show Horses. His dam is a sister to World Champion Pride of Bums. Back Gin crossed on a Generator mare has been very successful. Out of the 9 horses bred this way 5 have become very successful show horses and they include, WGC Bubba's Sip of Gin, Those Fancy Legs, Sonny Steele, Dirty Martini and Tonic. This colt would be a trainers dream. He is raw and talented and never been handled. Isn't about time you got a good one?
