Comments:

This beautiful Don Diego filly is out of a top producing mare. She is out of the same dam as World Champion Score's Diamond Girl. Don Diego has produced some excellent horses, this filly is no exception. Her dam line traces back to the great mares Mack K's Black Angel and World Grand Champion Black Angel. This filly has been shown at halter and is ready to hit the Fall shows with a new handler. She can put you in the winner's circle.
