## **Comments:**

This Silver Dollar daughter is the FULL sister to Cha Ching Command and out of the same dam as Commanding Tiger and Command's Simply Special; both notable show horses. Other Top show horses bred identical to this mare include Versace's Dollar and Shine This Penny. Silver Dollar mares have been in high demand due to their show ring success and their broodmare potential. There are only 4 Spring yearling fillies sired by Silver Dollar. Don't let this one slip by.
