## Comments:

I love Jose' fillies and so do the judges. This beautiful Grey filly is one of only 15 Jose fillies that are Grey and 1 of only 3 that are Grey and out of Lined With Cash mares. Her dam is a sister to Buster Big Lick and Pushin R Luck both very successful show horses. Out of the nine horses that have ever been registered sired by Jose' Jose' and out of a Lined With Cash mare, 7 have shown successfully and include Two Year Old Stake Contender Marty Mcfly, recent International Two Year Old Champion Side Lined and recent International Four and Under Country Pleasure Champion Peligro Dinero. She is the type that is hard to find and hard to let go. Dulcinea describes this filly; it means Sweetheart.
