Comments:

You won't see another Ritz colt like him ever. This colt will remind you of World Grand Champion The WHO, but with just a little more funk. He is out of the same dam as show horses He Merits Cash, She Merits a Ten and Bikini Bottom. The Ritz X MG cross has been very successful, it has produced such notables as World Champion The New York Yankee, Res. World Champion Major General's Ritz, Johnny Ritz, Ecstatic, Jayvees Ritz, Blazin' Ritz, Yankee Girl and A Crème Brulee among many others. Ritz is no longer breeding. How many more opportunities will you have at a Ritz son? His sons have dominated the show ring. When this Celebration is over folks will still be talking about Grand Funk Railroad.
