Comments:

There are only 6 yearling sons of He's Puttin' On The Ritz that are registered in 2014. This one is the only Ritz son EVER out of a Sweepstakes mare. Sweepstakes mares have produced such notable horses as WGC I'm Coach Cal, WGC A Red Ruby, Greenspan, and Sheza Hole In One, just to name a few. There won't many more opportunities to buy a yearling son of Ritz. He no longer breeds and only a few more sons will ever be on the market at this age. His sons have always dominated the show ring as we feel this one will. His notable World Champion sons include WGC Ted Williams, WGC Image of Ritz, WGC Kid Callahan, WGC The Who, WGC Fog At The Ritz, WGC I'm Wallstreet, WGC Strollin Thru The Ritz, and the list goes on and on. I can easily say that collectively sons of He's Puttin' On the Ritz have brought higher prices than any other grouping of walking horses ever. This one will make somebody famous!
