Comments:

Here is another filly with a historical mare line; check this filly out. Her dam is the sister to Multi WGC JFK, Multi WGC My Jackie O, WC Jackie O's My Sister, WC RFK and Jackie O All Over. She is the first foal from her dam. The Titleist X Jose' cross has had a 69% show ring success rate. Notable show horses bred this way are Ty The Tiger, She's Title Bound, Tennessee Backfield, Baby Baby, and undefeated Three Year Old shown by Tommy Loid, The Titleist Prestige. She is another in a long line of Great Jose' Jose' daughters that are top prospects this year. Her potential as a show mare and future broodmare is limitless. In most divisions NOTHING beats a Daughter of Jose'.
