Comments:

This beautiful son of Gen's Black Gin has had the attention of the most knowledgeable horsemen. His size and looks and movement have gotten everyone's attention. He is a walking highlight reel. His dam line has produced World Grand Champion Motown Motion, World Champion Rare Moment and renown show horse and sire Pride's Choice Cut. He is the first horse ever sired by Gen's Black Gin and out of a Way-High Willie mare. Gen's Black Gin has sired many World Champions including WGC Gin Toddy, WC Gin and Juice, and WC Two Year Old Amateur Mare Poison's Splash of Gin. This one is worth the trip just to say I saw him "before he was famous".
