Comments:

You won't believe how pretty this bay filly is until you see her. Sired by the great Jose' Jose' and out of a Pusher mare, Lucy Lou is the result of one of the most successful bloodline crosses in our breed. Jose' Jose' crossed on a mare by The Pusher C.G. is the most prevalent and successful match in the show ring today. Of the 143 that are bred this way that are old enough to ride an amazing 122 of them have a show record. This cross has an amazing show ring success rate of just over 90%. She is the full sister to top show horse Joe Magic shown by Kelly Sherman and Beth Beasley and also out of the same dam as Pusher's Motown Skywalker that has an extensive show record across East Tennessee. If you see her, I can assure you that you will want her.
