Comments:

This Jose' filly is the first foal from her dam. Her dam is a former show mare and is the sister to show ring favorite Major Gee Whiz. There is only one other horse registered that is sired by Jose' and out of a Black Night Shade mare and that is I'm G.Q. the yearling sensation shown by Roger Richards. Other notable show horses out of Black Night Shade mares are He's Bear Bryant, The Coach's Girl, Makin Easy Money and He's Nightline. In all divisions not much ever beats a Jose' filly.
