Comments:

Another great example of a Jose' daughter. She comes from the same mare line as World Champion Free to Score, Slam's Grand Tour and F.B.I. of Tennessee. Jose' Jose' has been crossed with a Stonecutter mare on only 4 occasions before and all 4 offspring, which were fillies, ALL have show records. That makes a 100% show ring success rate for this cross. The previous 4 are Jose's Steppin Stone, A Milestone, MCF Rosa's Cantina and I'm Rockin' On. There is nothing more successful in the show ring today than a daughter of Jose' Jose'
