## Comments:

This great moving filly is sired by Cortez who is a son of Jose' Jose' and World Champion producer Symbol's Sally Too. She comes from a great producing mare line. Notable show horses coming from her mare line are Multi World Champion FDR and top show horse shown by Casey Wright, Delano. She comes from a top bloodline, has great movement and has the size and looks of a show horse. Don't miss this filly she is definitely a Diamond in the Rough.
