Comments:

You've heard of "He who shall not be named"; this is 'He who everybody will shout his name"! Lord Warlock is out of a FULL sister to WGC Witch's Jazz and World Champion Jazz King plus many other show horses. His 3rd dam is World Champion The Witch, his 4th dam is the legendary producer Midnight Mischief. With regard to World Champion producers his mare line has to rank at the top compared to any in our breed. He is the 2nd foal from his dam and the first stallion and the first by Jose' Jose'. The Jose' X Jazz Man cross has produced an amazing 70% show ring success rate. If you are looking for a Jose' stud with TONS of potential in the show ring and beyond, this is the colt. Be careful Lord Warlock will cast a spell on you.
