## **Comments:**

This black Titleist stud colt is a lot like his namesake golfer Rory McIlroy. We don't think he can be beat. He is out of a top Jose' mare. His mare line traces back to the great old show mare My Fair Lady A.S. shown by Sarah Coffee Burks and Marianne Leech. The Titleist X Jose' cross has had a 69% show ring success rate. Notable show horses bred this way are Ty The Tiger, She's Title Bound, Tennessee Backfield, Baby Baby, and undefeated Three Year Old shown by Tommy Loid, The Titleist Prestige. This colt really moves good and has the build to be a very athletic Two year old, one that will make quick and show his potential early. Just like the golfer, Don't ever bet against McIlroy.
