Comments:

This black Main Power filly could excel in any division. Her dam is a sister to Show mare All Cash Deal. Armed and Dangerous mares have always been top producers and have foaled notable show horses such as Res. WC Brain Power, Res.WC Spooky Dollar, Top show horse Dollar's Bright Star, and World Grand Champion A Line Dancer. Main Power is the 2005 World Grand Champion and has sired World Champions in all classifications. This pretty filly will make you a top mare.
