Comments:

This son of Jose' Jose' is out of a mare that has extensive show record in the Racking Horse breed. She comes from a long line of show horses. This beautiful stallion is the very first Jose' Jose' offspring ever out of a Prides Pattern mare. Prides Pattern was a legendary show horse having won the Celebration as a Four Year Old and being named Reserve World Grand Champion in 1994 behind Gen's Armed and Dangerous. Knowledgeable horsemen having been waiting for this colt to arrive at our farm. Take a good look at this colt and see what all the fuss is about.
