## Comments:

This filly is out of the same daughter as Top Trail Pleasure contender I'm Promised shown by Candy Kluth and Kaitlyn Rippy. This perfect daughter of Gen's Armed And Dangerous has the looks and talent to compete in any division. Her Dam's Sire Broken Promises was a multi World Grand Champion and his dam was the great show mare My Promises Promises. If you are looking for that top filly to wow the crowd and one that will work hard to please Promise of Hope fulfills that promise.
