Comments:

This big beautiful Ritz daughter is getting a lot of attention. She is out of the same dam as Res. World Champion Whimsical Jazz. Her dam's sire The Legend was legendary in the show ring with Russ Thompson aboard. Her 2nd dam was the golden palomino Delight of Pride daughter and show mare Rhinestone Dolly that Danny Wooten showed to many titles. There won't be a handful of opportunities to purchase a Ritz yearling filly. Might as well get one with this size, this great look and so well bred. Rhinestone Ritz is a name you will be hearing for years to come.
