## **Comments:**

This son of General Gunn is the full brother to Multi International Champion, Multi National Champion, TWHBEA National Futurity Champion and Res. World Champion I'm Gunpowder and Lead. He is also the Full brother to My Red High Heels, and Rose Gunn; both show horses. He is also out of the same dam as Skywatch's Red Eagle, Especially For U and Simply Striking; all very successful show horses. With a pedigree history like this one; this colt is bound to be a show horse. If you are looking for that top prospect Ruger Ready is definitely Ready.
