## **Comments:**

This lit up filly is out of the same dam as Manny Pacquiao the top Titleist colt purchased by the Dowells that is in training at Finish Line Farms and King Command the Reserve TWHBEA National Futurity Champion. She comes from a mare line that has produced many top show horses including WGC The Sky Command, WC That Lady's In Command, WC Mark's Ebony Ann. This refined Out On Parole daughter is bred identical to World Grand Champion Command On Parole and World Grand Champion Chillin' The Most. Out On Parole is the number one Sire with I'm In Command mares. Of the only 10 horses bred this way 50% have been successful in the show ring with the 2 mentioned above reaching World Grand Champion status. This filly has everything going for her.
