Comments:

Unique is the word I would use to describe this Jose' daughter. She is the first Jose' foal out of her dam. Her dam is the sister to two very notable Jose' daughters, Jose's Mama Mia and Sheza Hottie, both have extensive show records. The Jose' X Jazz Man cross has produced an amazing 70% show ring success rate. Notable horses bred this way are World Champion Leonardo Dicaprio, Res. World Champion Jose' Up, Giddy On Up and Jose's Buddy Holly. The unique description comes in her markings. She has a large white spot on her hip that could easily qualify her to also show in spotted venues. She moves great, has the size and pedigree to be a top mare in any division. She was bred and raised by the same man who raised 2013 World Grand Champion I Am Jose'.
