Comments:

This Titleist filly is the first foal out of a Jose' Jose' daughter. Her dam is a full sister to World Grand Champion Jose's Centerfold shown by Bill Williams. Her 2nd dam also produced Res. World Champion Splashy Ritz and top show horse Tarheel's Parolee. The Titleist X Jose' cross has had a 69% show ring success rate. Notable show horses bred this way are Ty The Tiger, She's Title Bound, Tennessee Backfield, Baby Baby, and undefeated Three Year Old shown by Tommy Loid, The Titleist Prestige. With her confirmation, her pedigree history and relatives such as Jose's Centerfold the odds are in this filly's favor.
