Comments:

This beautiful stallion could be the “stunt double” for his sire. He is identical to WGC The Coach. He is out of a Delight of Pride bred mare. This colt moves good and has the size to be a top prospect. Coach offspring doing well this year are Gus Malzahn, Coach's Cheerleader, Just Call Me Coach, V Lombardi, He's Bear Bryant and Neyland among many others. Pride's Night Caller mares have produced in addition to this colt, Merry Girl Kate top lite shod contender, and A Highlander HD a top trail pleasure show horse.
