Comments:

What a name and what a colt. The Good Samaritan is sired by Main Power and out of a Showboat mare. Main Power offspring have excelled in all show classifications. Notable Main Power offspring are National Futurity Champion Brain Power, World Champion Candy Crush, World Champion Main Sweetie, World Champion MP 1, International Stake Champion He's My Main Man, and More Horsepower among many others. When you are down and out and can't go any farther, The Good Samaritan will lift you up and carry you to the Winners Circle!
