Comments:

Another grey Lined With Cash filly for your selection. This beautiful filly is out of a full sister to Three Year Old World Grand Champion Jose' It Ain't So and top show horse Jose's Night Train. Her mare line includes the great producer Love To Collect and the legendary show mare Endless Love. The Lined With Cash X Jose' cross has produced such notable horses as WC The Lineman, Reservation On Line, and Datelined among others. Don't know much you can ask for. She has the size, movement, pedigree and to top it off all in a beautiful grey package. As the great Gospel song she is named after says all you need is "Two Wings to fly away, and the world can't do me no harm."
