Comments:

If you like BIG they don't come much bigger than Wagon Wheel. This impressive stud colt sired by WGC Master of Jazz is the 2nd foal of his dam. Her first was Lady LaLa, the top Ritz filly shown all over by Justin Harris. His dam is also the TWIN sister to top show mare Joy of Jose and his 2nd dam also produced You're Busted. His 2nd dam is the great mare WGC You're The One who won the 11 and under World Grand Championship in 1997. Master of Jazz total offspring across the board have the highest show ring success rate than any other stallion. We believe this colt has the percentages in his favor to become famous. He just needs a "Momma to Rock Him".
