Comments:

I'll just tell you, I can't draw one up much better than this. This perfect blonde mane and tail filly is worth the purchase price just to be able to sit and look at her in the field. She is sired by Lined With Cash and out of a sister to 5 Time World Grand Champion Armed & Trigger Happy. Her 2nd Dam is former show mare Hometown Girl who is the FULL sister to Multi World Grand Champion Hometown Favorite. She moves right, is built right, acts right and even smells right. Please take note if somebody out there isn't smart enough to buy this filly, I know I am. This filly won't last long here. Be quick and be happy.
