Comments:

This son of Watch It Now comes from a great mare line. His dam Pippi is sired by the Pushover and out of the same dam as World Grand Champion Tennessee Walking Horse Motown Magic. He is out of the same dam as Piffy the top 2 year old mare shown by Kenny Compton. This is the first horse sired by Watch It Now and out of a Pushover mare. Watch It Now has been a top new producer having sired the likes of National Futurity Champion Pushed To Win, I'm Handome Jimmy Valiant, Do It Now, Win Baby Win, Push To Win, Win My Affection and HD among many others. Daughters of The Pushover have produced such notables as, WC Texas Salsa, Grand Sweepstakes, Dollar Overdrawn, Arms Dealer, and World Champion I'm Stan The Man. Great pedigree and Great Mover.
