# Miss Tiger Woods

This young daughter of Seve has an extensive show record. Her pedigree includes the great mare Triple Coin. Her mare line has produced many top show horses such as Favorite's Stone Cold. She is out of a Pusher's Prescription mare just like the dam of I'm Copperfield. She is safe in foal to WGC Gen's Black Gin. This is another young mare with many colts in her future. Foals by Gen's Black Gin are in high demand now. It will be exciting to see what she gives you when she foals.
