Mare Owner represents and warrants that the Mare is healthy, of sound breeding condition, halter broken, is free from infection or disease and that the Mare tested negative on a Coggins Test performed within six (6) months prior to the Mare's arrival at Sugar Creek. The Mare must have a veterinarian's health certificate including worming and vaccination records and a current negative Coggins Test. If these documents are not presented in acceptable form upon the Mare's arrival, Sugar Creek shall have a veterinarian make a proper test and evaluation at Mare Owner's expense. Mare Owner agrees to use all semen provided by this Agreement solely to breed the Mare named in this Agreement. Any attempt to use any portion of any semen shipped to Mare Owner to breed any mare other than the Mare shall automatically terminate all obligations of Sugar Creek under this Agreement and result in forfeiture of all breeding fees, balance of shipping fees, collection deposits and the right to a breeder's certificate. If multiple transports of semen are requested, Sugar Creek reserves the right to request a negative uterine culture, cytology or biopsy prior to providing further semen for insemination.
